

Dear [insert teacher's name],

I am writing to request that my [son/daughter], [insert child's name], **be excused from any lessons or activities that contain depictions of or discussions around the belief that one's gender identity can be different than one's biological sex as well as any discussions or lessons about "pride" (as it pertains to LGBTQIA+)**. This includes but is not limited to content found in lessons, written materials, fiction or non-fiction books, online resources, assignments, surveys, or presentations by guest speakers. Please also notify us in advance of any such lessons, activities, book readings, surveys, or presentations.

I do not consent to my child receiving instruction or information on or being subjected to discussions about gender identity ideology in the classroom, including but not limited to transgenderism, gender identity, gender spectrum, gender dysphoria, alternate gender pronouns, pronoun preferences, clothes changing closets, puberty blockers, cross-sex hormones, gender reassignment surgery ("top" or "bottom" surgery), or similar related subject matter.

This also includes exposure to or participation in any surveys, digital or physical instructional materials, internet websites, social media, chat rooms or similar digital platforms, curricula, writing prompts, videos, clubs, small groups, classroom lunch discussions or any similar materials or gatherings related to any topics listed above.

As [insert child's name] parent, **I request that I be given prior notice and that my child be given alternative academic instruction or accommodations** during the same period that any presentation or instruction on any aspect of the above is provided.

Additionally, please do not ask [insert child's name] to state or write down [his/her] personal pronouns.

I have also included Principal [insert principal's name] on this request. If you have any questions or need more clarification, please let me know.

While I recognize that some parents do not object to this type of content, I feel strongly that these matters are best discussed at home. Thank you for respecting parents' rights and choices.

We are looking forward to a great school year!

Respectfully,
[insert parent's name]
